

## 2025 Critterless Critter Competition

**What:** It is like a livestock show, but using stuffed animals

Just like in a livestock show, youth will be asked to pre-register for the event in the class they think their critter fits in, then the youth will show the critter, by showing its best side and answering questions about their critter to the judge

**Questions may include** – What is your critters name, what do you like to do with your critter, how did you get your critter, does your critter have a favorite food

Judges may touch the critter to give it a little squeeze

**Classes Include:**

Most Realistic

Cuddliest

Craziest

Large Animal

Small Animal

Then there will be an overall “showman” category for all 1<sup>st</sup> place winners

**Who:** All youth ages 5 to 13 are invited to participate

This is a fun way to give kids a basic show experience without having the commitment of owning an actual animal.

Please register by October 1, 2025, to participate: <https://bit.ly/3Ryi2uu>

Virginia Cooperative Extension is a partnership of Virginia Tech, Virginia State University, the U.S. Department of Agriculture, and local governments. Its programs and employment are open to all, regardless of age, color, disability, sex (including pregnancy), gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, genetic information, military status, or any other basis protected by law.
